

CHRISTINE MAE P. ORO

Sapang Dalaga, Misamis Occidental 7212 • christinemae.oro123@gmail.com • +63 976 445 5866 • [LinkedIn](#) • [Portfolio](#)

SUMMARY

Information Technology graduate with hands-on internship experience spanning data management, recruitment coordination, IT support, and UI/UX design. Skilled in Microsoft Office, Google Workspace, Figma, Canva, and front-end web development. Known for accuracy, adaptability, and following through on detail-heavy administrative and technical tasks. Seeking to bring strong organizational and problem-solving skills to a remote operations, IT support, or digital design role.

EDUCATION

Bachelor of Science in Information Technology

2026

Misamis University, Ozamiz City, Misamis Occidental

- Academic Achievement: Faculty Lister

EXPERIENCE

IT Support Intern

Feb 2026 – Apr 2026

Connections Outsourcing — Mandaue City, Cebu

- Managed applicant records by entering, updating, and verifying data in the company database, maintaining accuracy for recruitment and reporting.
- Facilitated candidate assessments by guiding applicants through instructions and monitoring the assessment room to keep sessions running smoothly.
- Coordinated with the Account Director on applicant results and application status, ensuring timely and accurate handoffs across the hiring pipeline.
- Organized employee contract documentation for signing, sorting, and compiling paperwork by employee to prevent errors and delays.
- Diagnosed and resolved basic hardware issues on computers, headsets, and cameras, minimizing downtime and keeping BPO operations running without interruption.
- Performed routine system and security updates across office computers to maintain a secure, up-to-date IT environment.

PROJECTS

- **SmartDry (Capstone Project)** — Co-developed a Flutter mobile app for monitoring a smart rice-drying system, including automated status notifications.
- **StudyHub** — Built a C# system to manage book inventory, user accounts, and borrowing/return transactions.
- **E-Commerce Website** — Developed a full-stack web application (PHP, HTML, CSS, JavaScript, MySQL) with a focus on user-friendly interface design.
- **E-Commerce UI/UX (Figma)** — Designed an interactive prototype for a scented-candle e-commerce site, including product pages and complete user flows.
- **E-Commerce Platform Customization** — Customized PrestaShop, WordPress, and AbanteCart storefronts by editing themes, adding listings, and configuring payments.
- **Canva Design Portfolio (Personal)** — Designed a printable workbook, product ads, lifestyle graphics, social media assets, and an email campaign.

SKILLS
